## PSALM 147 NLT

Praise the Lord! How good to sing praises to our God! The Lord is rebuilding Jerusalem and bringing the exiles back to Israel. He heals the brokenhearted and bandages their wounds. He counts the stars and calls them all by name. How great is our Lord! His power is absolute. His understanding is beyond comprehension!... The Lord supports the humble, but he brings the wicked down into the dust... He gives food to the wild animals and feeds the young ravens when they cry... For he has strengthened the bars of your gates and blessed your children within your walls... He sends peace across your nation and satisfies your hunger with the finest wheat. He has revealed his words to Jacob, his decrees and regulations to Israel... Praise the Lord!
